Day 1: Sunday, April 5, 2026 Boston, Massachusetts Celebrate the marking of America's 250th anniversary with a journey from "the Cradle of the American Revolution" through the historic hubs of New York and Philadelphia and to the nation's capital, Washington, D.C. Arrive in Boston, a city bursting with character and Revolutionary history. As arrival times will be scattered through the afternoon and evening, there are no scheduled activities today.

Day 2: Monday, April 6, 2026 Boston - Lexington - Concord - Boston Today, venture to Lexington and Concord. Begin at Lexington Battle Green, where the first shots of the Revolutionary War were fired on April 19, 1775. With your local guide, continue to Concord on a drive that follows the same path that British troops marched that day. Along the road, learn more about Concord's historical significance, a town home to literary figures like Ralph Waldo Emerson, Henry David Thoreau, and Louisa May Alcott. Step inside Wright Tavern in the center of Concord, where the minutemen and militia gathered before battle, and see the Old Hill Burying Ground. Head to the exact spot where the "shot heard 'round the world" was fired – the Old North Bridge. And at Robbins House, explore stories of the home's former inhabitants with notable ties to African American history. This evening, celebrate the start of your journey with a welcome dinner in Boston's famed North End. (B, D)

Day 3: Tuesday, April 7, 2026 Boston - West Point, New York - New York City You're off to New York City today. But first, a visit to West Point* highlights why George Washington considered it the most important military post in America. During your guided tour, learn about the garrisoning of West Point during the Revolutionary War and the present role of the United States Military Academy in training the leaders of tomorrow. Along the way, get a glimpse into the cadet experience at this proud institution and take in the view from Trophy Point overlooking the Hudson River. Then, arrive in New York, New York! Check into your Times Square hotel and feel the bustle of modern-day New York all around you. This evening is yours to enjoy the Big Apple. (B)

Day 4: Wednesday, April 8, 2026 New York City Start your morning like a New Yorker with breakfast at a local diner. Then, delve into historic New York on a blended panoramic and walking tour. Glimpse into Central Park, pause beside the poignant 9/11 Memorial, see St. Paul's Chapel, where George Washington prayed following his inauguration, and view Trinity Church, where Alexander Hamilton was laid to rest. Convene for lunch at New York's most historic tavern – a favorite watering hole among several Founding Fathers, where George Washington famously gathered with a group of officers to celebrate after the last British troops left American soil. The rest of the day is yours to spend as you wish. This evening, if you choose to join an optional dinner and show, take a seat at one of Broadway's biggest hits: *Hamilton!*** Experience the revolutionary musical that shines a spotlight on Founding Father, Alexander Hamilton. (B, L)

Day 5: Thursday, April 9, 2026 New York City - Philadelphia, Pennsylvania On to Philadelphia! Embark on a tour of the "birthplace of America." Then, enjoy free time for lunch at a local market full of delicious food options, perhaps seeking out a local favorite like the Philly cheesesteak. This afternoon, head to the Museum of the American Revolution, where everything you've retraced on the journey so far comes together. Walk through the interactive exhibits imagining what it felt like to be part of the Revolution. Tonight, dinner is on board the legendary Moshulu, the world's oldest and largest square-rigged sailing vessel still afloat. Docked at Penn's Landing, experience a piece of maritime history on this tall ship turned restaurant. (B, D)

In Philadelphia, explore the "most historic square mile in America." The Independence National Historical Park is not just a collection of buildings; it represents the founding ideals of the nation and preserves national and international symbols of freedom and democracy. Step inside Independence Hall, a UNESCO World Heritage Site considered to be the birthplace of the nation, as this is where the Declaration of Independence and the U.S. Constitution were debated and signed. Today, the Georgian building's Assembly Room reflects its 18th-century appearance with period-appropriate furnishings, making it easy to imagine the foundational events taking place in that very room. Beyond Independence Hall, the park encompasses several other significant sites, including the famous Liberty Bell, a symbol of the abolitionist movement. The National Cherry Blossom Festival is planned to coincide as near as possible with the blooming of the trees. "Peak Bloom Date" is defined as the day on which 70 percent of the blossoms of the Yoshino cherry trees are open. The date when the Yoshino cherry blossoms reach peak bloom varies from year-to-year, depending upon weather conditions. The mean date of blooming is April 4, but nature is not always cooperative, and the National Park Service horticulturists cannot make an accurate prediction much more than 10 days prior. The blooming period starts several days before the Peak Bloom Date and can last as long as 14 days; however, frost or high temperatures combined with wind and/or rain can shorten this period.

During the summer months (June-August), be prepared as the weather can reach high temperatures and many of the tour activities are outdoors.

Due to the long distances covered on this tour, most of our touring days will be full, typically departing for the day by 8:30 a.m. and returning by 5:30 p.m. or later in some cases. This means there will also be some long transfer days on the coach, specifically from Boston to New York and from Philadelphia to Washington D.C., both of which will have over 5 hours of driving time with stops in between.

If you book this tour closer than 45 days prior to departure, your spot on the tour of West Point cannot be guaranteed, in which case you will have leisure time at the West Point Museum.

Washington, D.C. attracts visitors year-round, specifically student groups, which means museums and top sites may be crowded.

*West Point is an active-duty military post. All guests are required to submit accurate ID information by 45 days prior to the start of the tour. Whatever ID is provided to us must also be produced on the day of the tour (no photocopies accepted, no exceptions) and are subject to a West Point security background check. Details that need to be provided are: identification type (ID, license, passport), legal name, country and state information, ID #, gender and date of birth. If, for any reason, you are unable to be cleared for access to the post, you will be notified in advance and will not be able to participate in the West Point Tour. Instead, you will have a self-guided visit and leisure time at the West Point Museum.

***During the second week of October, the Army Ten-Miler Race will be taking place with traffic and road closures impacting our route. For any tour operating during this period, the day and timing of Arlington National Cemetery may change. No itinerary inclusions will be missed.

**Due to limited availability, Hamilton tickets are subject to availability. This option must be purchased in advance, at least 130 days prior to departure.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your

own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.
