

***FLIGHT PATHS AND INUIT DOME, THURSDAY, FEBRUARY 6, 2025.  
Cost \$148.00, ON SALE OCTOBER 28, 2024.***

The Intuit Dome Tour offers an immersive experience into the cutting-edge, home of the Los Angeles Clippers. Attendees will explore the state-of-the-art facilities, including luxury suites, high-tech amenities, and fan-focused features. The tour provides an exclusive look at the design and innovation behind the iconic arena, showcasing its commitment to enhancing the game-day experience with advanced technology and sustainability. Visitors will also gain insights into the arena's architectural vision and how it aims to transform the sports and entertainment landscape. Additionally, the tour highlights the venue's community engagement initiatives and its role in bringing people together.

***THE MUSEUM OF FLYING IN SANTA MONICA*** offers a fascinating journey through aviation history, featuring a diverse collection of aircraft and aviation artifacts. Visitors can explore exhibits showcasing iconic planes, historical documents, and interactive displays that highlight the evolution of flight. With its engaging presentation and meticulously preserved exhibits, the museum provides an educational and inspiring experience for aviation enthusiasts and history buffs alike.

***THE ORIGINAL FARMERS MARKET*** is a vibrant historic marketplace that has been serving the community since 1934. The market is a beloved gathering spot where travelers can explore a wide range of specialty vendors, delicious food, and soak in the rich history of the city.
